- The Race of Champions will permit Race of Champions Super Stock Teams to begin the season with a maximum of (6) inventoried tires. Four (4) must be used on the car and two (2) as spares. Inventory tires will be kept by the barcode and must not be interchanged between teams without approval. The tire is referenced to a specific car number on an inventory sheet. **(Tires may be purchased anywhere only six (6) will be kept in inventory).**
- Only the Hoosier 1070 tire will be permitted for competition during the 2025 season.
- After the completion of the first race, each team will be permitted to introduce one (1) tire (new or used) at each event thereafter to their inventory, along with removal of one (1) tire, from that team's existing inventory.
- The "banking" of tires will not be permitted. In the event a competitor, who does not race regularly with the series, shows up at an event after the first event, the competitor will be required to purchase and compete on used tires from an inventory maintained by the Race of Champions. The competitor may race on used tires based on the inventory and introduce one new tire as per this policy.
- Teams will be responsible for their inventory of tires and must turn in an inventory sheet at each event prior to the qualifying race. Each inventory sheet will be tracked in a master spreadsheet. The tires must match the inventory sheet during inspection after any qualifying event and feature events. In the event that a team does not turn in an inventory sheet, that team may not be eligible to participate in the event.
- Used tire purchases will be permitted. The used inventory will be based on the tires in rotation and inventory used in the Sportsman Modified division. Inventory will be kept utilizing the Race of Champions Super Stock Series Inventory and the Sportsman Modified Inventory.
- All wheels and unmounted tires must be labeled (inside unmounted tires) with car number and/or team name.
- In the event a tire loses both the inside and outside barcode, that tire must come out of all inventories and will not be permitted for use.
