- The races may be extended past their scheduled distance with a green-white-checker finish.
- The Race of Champions Crown Royal Classic Tribute to Joe Reilly 54 will be a 54-lap race. Cautions laps will not count. The race may be extended past the advertised distance in the event it needs to be concluded with a green-white-checker finish.
- The front row must maintain the pace established by the pace car and will be signaled to do so, on the one-way radio, if in the judgment of the Race of Champions Officials, the pace is not maintained a penalty and/or penalties may be issued.
- The leader is the control car on all starts and/or restarts. The leader of the race, including on the original start will have "choice" and be signaled on the one-way radio to choose the inside or outside lane prior to reaching the start/finish line. Only the leader has choice, all other competitors must hold their respective restart position in line behind the leader.
- All restarts until the completion of lap 40 will be double-file with lead lap cars to the front - lapped cars will drop to the inside under caution and rejoin the field beginning after the last car on the lead lap in their order of running on the race track at the time of the caution.
- After the completion of lap 40 all restarts will be single file with lead lap cars to the front until the completion of the event.
- You may not lose a lap under caution during this event.
- When the caution is displayed or yellow lights are illuminated, get into single-file order, you will be instructed over the one-way radio when it is time to go double-file and/or restart single file.

After the field is stopped and is under control, competitors will be instructed over the one-way radio and any vehicle not involved in the red flag incident that needs to pit for service, will be able to pull up to a designated location prior to being released to the pit area on the one-way radio. Any car that pits during the red flag period will be required to restart at the tail end of the field. If any car pits during a red flag situation without following the instruction over the one-way radio, a one (1)-lap penalty may be issued.
