Please note the following rules will be in effect for Saturday, May 6 and Sunday, May 7, 2023 - for only these two (2) days the Hoosier 790 tire will be permitted for cars that have "home track" rules permitted the Hoosier. The difference in circumference in the tire permitted from right-to-left side will be 1.5" with a maximum difference of 5 lbs of air pressure between the right and left side tires and will be measured in inspection following the qualifying, consolation (if needed) and feature race(s). The air pressure may be reset after the pressure "builds up from racing" to a 5 lbs difference.

Following the completion of the Sunday, May 7, 2023 Race of Champions FOAR Score Four Cylinder Dash Series, any competitor that brings attempts to compete on a Hoosier 790 tire will be suspended "indefinitely" and will have the Hoosier 790 tire impounded for further analysis.

- All restarts will be in the restart area designated in the driver's meeting.
- The front row must maintain the pace established by the pace car and will be instructed to do so on the one-way and race channel radio. If in the judgment of the Race of Champions Officials, the pace is not maintained a penalty and/or penalties may be issued.
- The races may be extended past their scheduled distance with a green-white-checker finish.
- The Finale "30" will be a 30-lap race. Cautions laps will not count. The race may be extended past the advertised distance in the event it needs to be concluded with a green-white-checker finish.
- The front row must maintain the pace established by the pace car and will be signaled to do so, on the one-way radio, if in the judgment of the Race of Champions Officials, the pace is not maintained a penalty and/or penalties may be issued.
- The leader is the control car on all starts and/or restarts. The leader of the race, including on the original start will have "choice" and be signaled on the one-way radio to choose the inside or outside lane prior to reaching the start/finish line. Only the leader has choice, all other competitors must hold their respective restart position in line behind the leader.
- All restarts will be double-file with lead lap cars to the front - lapped cars will drop to the inside under caution and rejoin the field beginning after the last car on the lead lap in their order of running on the race track at the time of the caution.
